Education

B.Tech in Computer Science and Engineering

Netaji Subhash Engineering College, Kolkata

2024 – Present

CGPA: 8.6 / 10

Projects

➔ **Authentication System** | Node.js | Express.js | MongoDB | JWT | REST API

- Developed a backend authentication system with **user registration, login, protected routes, and user profile retrieval**.
- Implemented **JWT-based authentication** with access/refresh token handling and secure cookie-based token management.
- Built RESTful APIs with **Express.js and MongoDB** for user and session data management.

➔ **Password Manager** | React.js | Node.js | Express.js | MongoDB

- Built a password management application to **store, retrieve, update, and delete credentials** through a React interface.
- Developed backend **REST APIs** using Express.js and integrated MongoDB for persistent password data.
- Connected the frontend with the backend to handle **CRUD operations and real-time data updates**.

➔ **Spotify Clone** | HTML | CSS | JavaScript

- Developed a Spotify-inspired music player with a **responsive user interface and dynamic song/playlist handling**.
- Implemented **play, pause, song selection, progress control, and volume functionality** using JavaScript
- Managed local music and metadata to provide an interactive browser-based music experience.

Activities

- **SIH-2026, NSEC:** Secure top 10 position in College.
- 100+ problems on LeetCode.

Technical Skills

Frontend: React.js, Next.js, JavaScript, TypeScript, HTML5, CSS3

Backend: Node.js, Express.js, REST APIs,

Databases: MongoDB

Tools & Technologies: Redis, Git, GitHub

Languages: C++, JavaScript, Python

Certifications

- **Campus Ambassador** — Kshitij, IIT Kharagpur

January 2025
